HPL TABLE TOPS PIANI TAVOLO HPL

HPL table tops are supplied on request; for any information about sizes, colours and availability, please contact our sales offices. HPL is high pressure laminate, it has a black core. Resistant to time wear, humidity, steam, ultraviolet rays, termites, mushrooms, spores, molds. It is a lifting surface from 6 mm and it is easy to install. Fire retardand class 2. NO chlorine, asbestos, formaldehyde, suitable for food contact.

Attention: remove the protective film from both sides and check fixing screws length

I piani tavolo in hpl vengono forniti su richiesta; per ogni informazione riguardo le misure, i colori e la disponibilità, per cortesia contattate i nostri uffici. HPL è un laminato ad alta pressione, si presenta con l'inconfondibile interno nero. Resiste all'usura del tempo, umidità, vapore, raggi ultravioletti, termiti, funghi, spore e muffe. È autoportante dai 6 mm, caratteristica che lo rende di semplice installazione. Autoestinguente e ignifugo classe 2. Non contiene cloro, amianto e formaldeide, idoneo al contatto alimentare. Certificato Fira Institute per l'emissione di formaldeide libera.

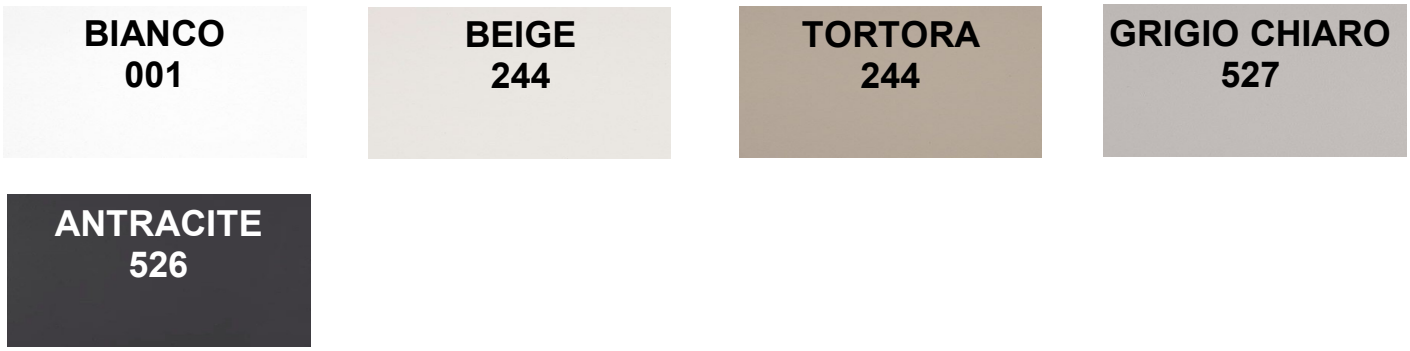

Attenzione: rimuovere la pellicola protettiva da entrambi i lati e verificare la lunghezza delle viti di fissaggio

SEASIDE/TC

coffè table - solid mahogany frame

tavolino - fusto in mogano

In pratica il concetto e quello di partire da una panca, con l'aggiunta di schienali fissati al fusto e cuscini, si ottengono dei daybed, delle lounge, dei divani, delle poltrone....ecc.

La struttura portante è realizzata in legno e, dopo l'aggiunta del materiale espanso, viene rivestita con i tessuti scelti; le parti in legno a vista ed il tavolino sono in mogano Sapelli massiccio; le flange di fissaggio degli schienali sono in acciaio inox AISI 316.

Il concetto è quello di creare delle aree conviviali alternative ai classici set di tavoli e sedie, dove c'è chi si rilassa disteso sul daybed, accanto a chi si gusta un drink chiacchierando con altri sul divano.Il Seaside è l'ideale per una composizione da destinare ad un portico o una pergola, e perché no alla lobby di un hotel.

Basically it's a bench that becomes a daybed by adding one back and one cushion which allows two positions thanks to its special shape; by adding another two backs and cushions it becomes a nice lounge sofa; same for the armchair, that becomes an armchair only with one backrest and may be a pouf; the small coffee table completes the collection and can be used as a jolly.

SIPARIO is a self-supporting outdoor divider that can be configured as desired, ideal for dividing open spaces. Made up of grilled elements that can be easily attached to each other without the use of screws; It is equipped with a container vase for plants, made of regenerated fiberglas polypropylene.

SIPARIO è un divisorio autoportante da esterno configurabile a piacere, ideale per dividere gli spazi aperti. Costituito da elementi grigliati facilmente agganciabili tra loro senza l'uso di viti; è dotato di vaso contenitore per piante, realizzato in polipropilene fiberglass rigenerato.
